

# Admission Information

## Hubei University of Technology

Dear students:

Welcome to study at Hubei University of Technology! For your convenience to study here, please read the following admission information in detail:

### 1. How to apply visa

For those who are issued with /Admission Letter/,/Visa Application for Study in China/ and other related documents, please apply **X1 Study Visa** of China at Embassy of the People's Republic of China in your country or at your residence or other foreign agency authorized by Ministry of Foreign Affairs PRC.

**\* Notice: Please process your study visa in China on time after receiving the admission documents; you can't register with other entry visas.**

### 2. Registration time

Please register within the specified time on /Admission Letter/ or /Letter Confirmation/, admission will be disqualified if exceeding 10 days of registration deadline. Due to special circumstances that lead you to fail to register on time, you are required to illustrate the circumstances by sending email to International Student Office of Hubei University of Technology.

### 3. Registration address

International Student Office of School of International Education, 3<sup>rd</sup> floor, 2<sup>nd</sup> Teach Building No.28 Nan Li Road, Hongshan District, Wuhan, Hubei Province, China.

### 4. Required documents for registration

Please bring the following documents when register:

- 1) **Original** copy of valid passport and visa to China;
- 2) 10 photos (1 inch, blue background);
- 3) Original copy of Application Form for International Student Admission for HBUT (signature required);
- 4) Original copy of Visa application for study in China;
- 5) Original copy of Admission letter (signature required);
- 6) Original copy of Highest Degree;
- 7) Original copy of Transcript of highest Degree.

**\*Notice: The above materials are indispensable and must be authentic and effective.**

## 5. Registration procedure

Registration -- verification of identity -- payment -- enrollment -- distribution of student ID -- major confirmation -- handle student ID -- distribution of dormitory -- accommodation -- get Chinese sim card -- physical examination -- handle permission of residence

## 6. Fees and payment

International Students Fee-Structure

Notice: pay by year

### (1) Fee standard

#### ● Tuition

Please find the detailed information on your /Admission Letter/ .

#### Language students:

CNY 12,000 /year

#### Undergraduate students:

School	Name of Discipline	Degree Category	Study Duration	Tuition Fee
School of Mechanical Engineering	Mechanical Design Manufacture and Automation	Engineering	4 years	CNY20,000/ year
School of Electrical & Electronic Engineering	Electrical Engineering and Automation	Engineering	4 years	CNY20,000/ year
	Communication Engineering	Engineering	4 years	CNY20,000/ year
School of Materials and Chemical Engineering	Chemical Engineering and Technology	Engineering	4 years	CNY20,000/ year
School of Food and Biological Engineering	Pharmaceutical Engineering	Engineering	4 years	CNY20,000/ year
School of Civil Engineering & Architecture	Civil Engineering	Engineering	4 years	CNY20,000/ year
	Architecture	Engineering	5 years	CNY20,000/ year
School of Computer Science	Computer Science & Technology	Engineering	4 years	CNY20,000/ year
	Soft Engineering	Engineering	4 years	CNY20,000/ year
School of Economics & Management	International Economics & Trade	Economics	4 years	CNY18,000/ year
	Accounting	Management	4 years	CNY18,000/ year
	Marketing	Management	4 years	CNY18,000/ year

**Master Degree students:**

School	Name of Discipline	Direction	Degree Category	Study Duration	Tuition
School of Mechanical Engineering	Mechanical Engineering	01 Manufacturing Equipment Design and Testing 02 Laser Green Manufacturing Technology and Equipment 03 Electromechanical Equipment Intelligent Control 04 Auto Parts Manufacturing Equipment 05 Modern Mould Technology 06 Agricultural Equipment Automation and Intelligence	Engineering	3 years	CNY23,000 / year
School of Electrical & Electronic Engineering	Electrical Engineering	01 Power Electronics and Electric Drive 02 Permanent Magnet Motor and Control Technology 03 Smart Grid and Microgrid Technology 04 Solar Power Generation Technology and Application 05 Electrical Theory and Materials Technology	Engineering	3 years	CNY23,000 / year
School of Materials and Chemical Engineering	Materials Science and Engineering	01 Materials Science 02 Materials Processing Engineering	Engineering	3 years	CNY23,000 / year
School of Food and Biological Engineering	Biotechnology	01 Cell Culture and Metabolic Engineering 02 Brewing Engineering 03 Biomedical Engineering 04 Bio-materials Engineering 05 Biological Resources and Environmental Engineering 06 Fermentation Process Engineering 07 Bio-energy engineering 08 Bio-materials engineering 09 Protein drug and vaccine engineering	Engineering	3 years	CNY23,000 / year
	Light Industry Technology and Engineering	01 Fermentation Engineering 02 Pulp and Paper Engineering 03 Metabolic Engineering of Industrial Microorganisms 04 Bio-pharmaceuticals	Engineering	3 years	CNY23,000 / year
School of Civil Engineering & Architecture	Engineering	01 Geo technical Engineering 02 Structural Engineering 03 Municipal Engineering 04 Disaster Prevention and Reduction Engineering and Protective Engineering 05 Bridge and Tunnel Engineering	Engineering	3 years	CNY23,000 / year
School of Computer Science	Computer Science and Technology	01 Smart Network and Information Processing 02 Big Data Security and Privacy Protection 03 Artificial Intelligence and Its Application 04 Intelligent Control	Engineering	3 years	CNY23,000 / year
School of Economics & Management	Business Administration	01 Research of enterprise development strategies 02 Marketing 03 Theories and Methods of Financial Accounting 04 Corporate Governance and Capital Operation 05 Human Resource Management	Management	3 years	CNY21,000 / year
	Applied Economics	01 Industrial transformation and Green Development 02 Sustainable Regional Economic Development 03 Green Finance & Investment & Financing 04 Green Trade and Modern Logistics 05 Economic Statistics	Economics	3 years	CNY21,000 / year
School of Foreign Languages	Teaching Chinese to Speakers of Other Languages (Teaching in Chinese)	01 Theories and practice of employing Chinese in second language teaching 02 Chinese and Foreign Contrast and Intercultural Communication 03 Research on Bilingual Communication of Chinese Culture	Master of Teaching Chinese to Speakers of Other Languages	3 years	CNY21,000 / year
School of Arts & Design	Fine Arts (Teaching in Chinese)	01 Visual Communication Design 02 Industrial Design 03 Environmental Art Design 04 Decorative Artistic Design 05 Advertising Design 06 Animation Design	Fine Arts	3 years	CNY25,000 / year

## PhD Students:

School	Name of Discipline	Direction	Study Duration	Tuition
School of Food and Biological Engineering	Protein Engineering	01 Natural Medicine Bio-manufacturing 02 Biological Pharmacy 03 Protein Structure Functional Design 04 Molecular Targeted Drug	3 years	CNY35,000/year
	Biomass Chemistry and Engineering	01 Bio-based Chemicals 02 Biomass Conversion Project 03 Natural Polysaccharide Recycling 04 Biomass Energy Engineering	3 years	CNY35,000/year
	Fermentation Engineering	01 Microbial Engineering 02 Brewing Engineering 03 Biological Process Engineering 04 Bio-catalysis and Conversion Engineering	3 years	CNY35,000/year
School of Materials and Chemical Engineering	Pulp and Paper Engineering	01 Plant Resources Chemistry and Utilization 02 Green Pulp and Paper Technology 03 Fiber-based Composite Material	3 years	CNY35,000/year

- Accommodation

Single Room: 10,000 RMB/year;

Double Room: 6,000 RMB/year;

Triple Room: 4,000 RMB/year.

- Other fees

Registration fee: 400 RMB;

Insurance: 600 RMB/year;

Physical Exam: 300 RMB;

### (2) How to pay

① Overseas remittance: You can remit money from your local bank to our school bank account.

Please make a footnote about student's name, passport number and etc. so that we could verify your remittance.

② Entry payment: When you come to register, you can pay in cash or transfer the money with bank account.

### Attached:

#### Official bank account of Hubei University of Technology:

BANK NAME: CHINA MINSHENG BANKING CORPORATION. LIMITED WUHAN BRANCH

- ACCOUNT NO.: 8 7 4 1 2 0 2 2 2 4 0 1 0 1 0 0 8 3 9 6

- ACCOUNT NAME: HUBEI UNIVERSITY OF TECHNOLOGY

- ADDRESS: NO.396 Xinhua Road, Jiangnan District, Wuhan, Hubei Province, China

- SWIFT CODE: MSBCCNBJ005

- CINAPS CODE: 305521005007

- Please pay all your yearly fees before your enrollment or upon your arrival, otherwise you are not allowed to register, enroll or any relevant residence procedures.

- Textbook charges are not listed above, you could buy the textbook after registration, please prepare your expenses for teaching materials.

## 7. Transportation guidance

Tianhe international airport, Wuchang Station, Wuhan Station and Hankou Station are the four main transit stops in Wuhan.

### (1) Taxi fees and covers

- ① From Tianhe International Airport to Hubei University of Technology: around 160 RMB
- ② From Wuchang Railway Station to Hubei University of Technology: around 25 RMB
- ③ From Wuhan Railway Station to Hubei University of Technology: around 70 RMB
- ④ From Hankou Railway Station to Hubei University of Technology: around 70 RMB

Please ask for a receipt from the taxi driver.

### (2) Metro

- ① From Tianhe International Airport / Hankou Railway Station: Take Line 2 to Pangxiejia (螃蟹岬), and transfer to Line 7. Get off at Hubei University of Technology (湖工大).
- ② From Wuchang Railway Station: Take Line 7 to Hubei University of Technology (湖工大).
- ③ From Wuhan Railway Station: Take Line 4 to Wuchang Railway Station (武昌火车站), and transfer to Line 7. Get off at Hubei University of Technology (湖工大).

## 8. Instructions

- 1) Our school has never entrusted any personal or agency to take any charges from students, please don't hand your money to anyone.
- 2) Please register at our school on time upon your arrival at China; please don't stay at any other places, lest you will delay your study and the procedure of handling your residence certificate.
- 3) Please check your documents for enrollment through, and bring your clothes, bedding and other articles.
- 4) RMB is the current money in China; please exchange some RMB for your convenience to register in our school.
- 5) Please take care of your personal safety and property security, and don't bring too much cash with you on the way to school.
